

Manuale Degli Accordi Top - Tutti Gli Accordi Per Chitarra Moderna

Introduction

The Manuale Degli Accordi Top is a comprehensive guide that teaches you everything you need to know about chords for modern guitar. Written by Simone Bortignon, a renowned Italian guitarist, this manual aims to help guitarists of all levels and backgrounds.

What is the Manuale Degli Accordi Top?

The Manuale Degli Accordi Top is a digital book that covers all aspects of chords for the guitar. It is divided into two parts:

1. **Corso sugli Accordi:** In this section, you will learn about the names and symbols of chords, their origins and characteristics, and their different uses in various musical genres. The last lesson reveals techniques for constructing the main chords across the guitar fretboard in all keys.
2. **Prontuario degli Accordi:** After completing the course, you will have access to a valuable collection of over 500 chords used in pop, rock, blues, reggae, folk, and country music. Each chord is presented with its symbols, diagrams, finger position photos, and a list of notes.

How does the Manuale Degli Accordi Top Work?

The Manuale Degli Accordi Top is designed to be easy to understand and follow. It is written in clear and simple language, making it suitable for beginners who have no prior knowledge of music theory or harmony. The digital format allows you to carry it with you on a USB drive and read it on any device with Acrobat Reader.

The manual also features an interactive menu that allows you to quickly navigate to specific chords. With just a few clicks, you can find chords in different keys and shapes, thanks to the CAGED system. This system provides you with multiple

options for playing each chord, giving you greater freedom and flexibility on the guitar.
